# Section III Language Test (English)

**Directions** (Q.Nos. 81-100) There are four passages in this section. Each passage is followed by five questions. Read each passage carefully and answer the questions that follow. For each question four probable answers bearing letters (1), (2), (3) and (4) are given. Only one out of these is correct. You have to choose the correct answer.

#### Passage I

Once a farmer lived in a village. He was old and he had five sons. The sons were lazy and did nothing. One day he called them and said, "My dear sons, I may die some day. All the gold and silver I have is yours. It is hidden in the fields."

After some time, the farmer died. The obedient sons began to look for the treasure. They carefully dug up the field from one end to the other but could not find any treasure.

One brother said, "We have taken so much trouble in digging the field, we should sow it."

This they did. In good time, there grew a rich crop. The sons remembered their father's words and understood the meaning of his words. Certainly they had found the hidden treasure.

- 81. "I may die some day" 'may' here refers to

#### Passage II

Fishing is my favourite sport. I often fish for hours without catching anything. But this does not worry me. Some fishermen are unlucky. Instead of catching fish, they catch old boots and rubbish. I am even less lucky. I never catch anything—not even old boots. After having spent whole mornings on the river, I always go home with an empty bag. 'You must give up fishing!' my friends say, 'Its a waste of time.' But they don't realize one important thing. I am not really interested in fishing. I am only interested in sitting in a boat and doing nothing at all.

- 86. Some fishermen are unlucky because
  - they never catch a fish
  - (2) fishing is not their favourite sport
  - (3) they fish for hours together
  - (4) sometimes they catch old boots and rubbish instead of fish
